EDUCATION

Sebelas Maret University (UNS)

Surakarta, Indonesia | Aug 2023 – Present

Bachelor of Informatics, GPA: 3.67/4.00

- Led hackathon teams as Project Lead (BI & OJK Hackathon, 2025) and Team Leader (Gemastik XVIII, Smart City Division), each delivering a functional prototype under national competition standards.

ACHIEVEMENTS AND CERTIFICATIONS

RoyaleCard Arena (Winner at National Campus Hackathon)

Apr 2026 – May 2026

Founder, Product Lead, and Fullstack Developer

- Built RoyaleCard Arena, a Solana-based trading-strategy game where your trading knowledge become the edge here, solo across product, full-stack development, pitch deck, and sound engineer. Shipped in 3 weeks while running a second hackathon product in parallel, both finished ahead of deadline.
- Engineered a draft/ban-pick game loop with on-chain Solana/Anchor escrow and live Pyth price feeds, wrapped in a Stardew Valley-style pixel UI built to win over non-crypto players.

Grab Next Generation UNS

Sep 2025 – Dec 2025

Marketing Strategy Competition Winner (out of 80+ participants)

- Won by pitching a growth strategy directly to Grab's marketing division, projected to grow user engagement and transaction frequency by 22% under Grab's direct mentorship.

SimplyBox (Hacktiv8 x Meta Llama Accelerator)

Aug 2025 – Nov 2025

Product Lead and Founder - Top 7 National Finalist

- Built an automated RAG data pipeline that cut client response time by 92% and landed 10+ SME early adopters through a benchmarked go-to-market strategy.

Annona Protocol (Finalist at Kemenkop Hackathon)

Jul 2026 – Present

Founder, Fullstack Developer, and Project Manager

- Advanced to Finalist by identifying the untracked half of Indonesia's KDMP offtake program, farmer credit fragmented across 4 institutions with no shared record, then architected Annona, a hash-chained settlement protocol that auto-nets farmer debt and turns transactions into portable proof other institutions can build on.

Awards: Favorite Delegate, Sandination Rocket 5.0 (Youth Leadership and Entrepreneurship, 2025); Top 300 National Participant, Indonesia Next 9th (2025)

Certifications: Agile Scrum Fundamentals (Mind Magine); Revenue Operations (HubSpot); Green Digital (Inco); Complete Business Plan Course (Udemy); Complete Presentation and Public Speaking Course (Udemy); Mandarin (Chinese Grow); Bloomberg Market Concepts (In Progress)

PROFESSIONAL EXPERIENCE

Arthur D. Little (ADL) x DWDG

Remote | Feb 2026 – May 2026

Business Consulting Mentee

- Advanced through competitive selection by applying hypothesis-driven, MECE-structured analysis to real corporate strategy cases for senior consultants.

Hotel Genio Syariah & Dapur Mama

Surakarta, Indonesia | Feb 2026 – Present

Project Manager and System Architect

- Cut manual data processing time by 87% by redesigning the financial reporting system, then trained 18+ staff with zero operational disruption.

DISKOMINFO Karang Anyar

Surakarta, Indonesia | Feb 2026 – July 2026

Business Analyst and System Architect

- Automated a local government office's public complaint workflow, standardizing data collection and improving response times.

Superteam Indonesia

Remote | Mar 2025 – Present

Event and Partnership Coordinator (Contributor)

- Grew the community past 80+ members in a month via a compressed 4-day faculty partnership, then drove 75% event conversion (53+ attendees) at Java Road Trip.

Foorify (IEEYEP Program by DAKM UNS and UD Impact)

Surakarta, Indonesia | Sep 2025 – Nov 2025

Project Manager and Founder

- Founded Indonesia's first "Trust as a Service" platform for corporate food donations, enabling B2B clients to claim up to 5% in tax reductions under PP No. 93/2010.

TaniTrack

Remote | Mar 2025 – Sep 2025

Co-Founder and Blockchain Community Manager

- Defined the go-to-market strategy for an agricultural Web3 platform, growing the community past 60+ users within its first week.

TEDx UNS

Surakarta, Indonesia | Apr 2024 – Dec 2024

Partnership Staff

- Negotiated a B2B sponsorship with PT Mirae Asset Sekuritas Indonesia that covered more than 50% of the total event budget.
